

CHASKA MIDDLE SCHOOL EAST

ENDEAVOR AND DISCOVER																												
Technology infused (Chromebooks)																												
Personalization (Learner voice and choice)																												
Re-do and Retakes allowed to show evidence of learning																												
Focus on skills of 21st century learners and leaders																												
ENDEAVOR	DISCOVER																											
Primarily Single Subject Focused	Primarily Interdisciplinary Focus																											
Learners move from class to class following the daily bell schedule	Learners schedule sessions within a 4 hour flexible block based on personal needs																											
Blended assessment structures based on standards with a final letter grade at the end of each Trimester	Standards based learning and reporting with an In Progress (IP) grade until a letter grade at the end of the year																											
Deadlines and due dates for standards set by teacher	Learners work at their own pace to meet the standards with flexible due dates set by teacher																											
Learners typically works on the same standard at same time, with opportunities to extend their learning	Learners prioritize their learning, choosing when to work on what and are provided possible ways to show evidence of learning for a standard, but not limited to that method																											
WHAT WILL MY CHILD’S DAY LOOK LIKE?																												
<i>Note: These are sample schedules and may not reflect the exact class hours for your child.</i>
