## News From Principal Holm

We cannot believe that it is already May 1st! CMSE students and staff have had a busy month of completing our Reading and Math MCA exams and Science starts on Wednesday for our 8th grade students. Students have done a fantastic job of giving it their best and we are proud of all of their hard work. Next week we will honor all of our school staff during an appreciation week. We are so thankful for all the amazing staff we have at CMSE and the work they do to make our building a great, welcoming place. In this month's Eastpoints, you will find information for the end of the year celebrations for all grade levels. We are busy planning to ensure that it is a positive end for all learners.
